**TO WHOM IT MAY CONCERN**

This is to certify that Genesis Technologies and Neo Genesis Engineering Pvt. Ltd. office at A-02 Radha Building (I), Deshmukh Complex, Kalyan Shill Road, Kalyan-East, Thane, Maharashtra, India 421203. Phone-91-(0251)-6454809 Fax-91-(0251)-2444854, have successfully installed and commissioned two Fully Automated FACE system/rings at Indian Agricultural Research Institute. The system is fully automated (PC Controlled) with sophisticated facilities which includes control room, CO<sub>2</sub> discharge, control, Monitoring of Temp humidity wind speed and wind direction with data logging option. The major highlights are automatic control and monitoring of CO<sub>2</sub> online through FACEMATIC control and CO<sub>2</sub> Analyzer in combination with wind speed and wind direction. The control System is developed in unique way in order control and save CO<sub>2</sub> and uniform distribution of CO<sub>2</sub> throughout the FACE ring and working satisfactorily.

The service and technical expertise provided by them are excellent.
